SCHAUMBURG
COUNTS

Participate in the 2020 Census and Help Shape Schaumburg's Progress

Every 10 years, the census records every person living in the United States. In 2010, just 80% of Schaumburg households were counted. It's time to come together and make sure **all** Schaumburg residents are counted. Households are urged to complete the census questionnaire so everyone who lives at your address on April 1 is counted. It's just 9 questions, and you can complete it online, by phone, or by mail. If you fail to respond, a census taker will follow up in-person to assist you.

Why Be Counted?

Census data helps determine Illinois' political representation and the amount of funding Schaumburg receives in the coming years. Each person counted in Illinois equates to approximately \$2,000 in federal funding. This funding is used to provide critical daily services, products and support for you and the Schaumburg community.
