Any work shown or described in one of the documents shall be construed as if described in all the documents.

Interpretation of Contract Documents: Each request for interpretation of the Contract Documents shall be made in writing addressed Purchasing Division, Village of Schaumburg, 101 Schaumburg Ct., Schaumburg, IL 60193 and shall be received at least five (5) business days prior to the scheduled bid opening date. Interpretations and supplemental instructions will be in the form of written addenda to the Contract Documents.

Electronic Bid Documents: Bidders that download PDF documents from the Village of Schaumburg’s Purchasing Division internet web page must immediately notify the Purchasing Division via e-mail to jwilliams@schaumburg.com if they intend to submit a response to the bid documents. This step is necessary to establish a communication link between the Village and the Bidder so that any addenda or other relevant information may be transmitted properly. The Bidder, not the Village, is responsible for obtaining any addenda to the original specification when the Bidder chooses the option of downloading bid or proposal files. Addenda and other relevant information will be posted on the *Current Requests for Bids and Proposals*, project specific, web page.

Submittal of Bid: Bids must be submitted to the attention of Jan Williams, CPPB at the above address no later than 11:30 a.m. on Thursday, October 31, 2019. Bids arriving after the specified time will not be accepted. Mailed bids which are delivered after the specified hour will not be accepted regardless of postmarked time on the envelope. Bidders shall carefully consider all bid delivery options (US Postal Service, UPS, Federal Express, private delivery service, etc.) and select a method that will successfully deliver their bid by the required time and date. Bids shall be submitted in **sealed envelopes** carrying the following information: Bidder’s name, address, subject matter and project number of bid as indicated in the specification, and designated date and time of the bid opening.

Withdrawal of Bid: Bidders may withdraw or cancel their bid, in written form, at any time prior to the advertised bid opening time.

Bidder’s Qualifications: No award will be made to any Bidder who cannot satisfy to the Village that they have sufficient ability and experience in this class of work, as well as sufficient capital and equipment to do the job and complete the work successfully within the time named (i.e. responsible). The Village’s decision or judgment on these matters shall be final, conclusive, and binding. The Village may make such investigations as it deems necessary. The Bidder shall furnish to the Village, under oath if so required, all information and data the Village may request for the purpose of investigation.

Preparation of Bid: The Bidder’s submittal shall include the completed *Bid Sheet* found in the Contract Documents and any further specified documentation. The Village will strictly hold the Bidder to the terms of the bid. The bid must be executed by a person having the legal right and authority to bind the Bidder.

Compliance with Laws: The Bidder shall at all times observe and conform to all laws, ordinances, and regulations of the Federal, State, and local governments, which may in any manner affect the preparation of bids or the performance of the contract.

Alternate: Any reference in these specifications to manufacturer’s name, trade name, or catalog number (unless otherwise specified) is intended as a standard only. The Village’s written decision of approval or disapproval of a proposed substitution shall be final. Alternate bids will be considered only if received at the

time stated for receipt of the bids. Submit alternate bids in a sealed envelope and identify the envelope as required for all bids, except that the phrase **Alternate Bid** shall be used. Bidders are cautioned that, if an alternate bid(s) involves an increase in the *Bid Sum*, the *Bid Deposit*, **if required**, shall be ample or be increased to cover the alternate *Bid Sum* or the entire bid may be rejected.

Freedom of Information Act (FOIA): The Village is required by Public Act 96-542 to comply with freedom of information requests (FOIA) within five (5) business days of a record request. All contractors used by the Village may be in possession of records covered by this act and therefore will be required to provide the Village with those records upon request and within the time frame of the Act.

Confidentiality: As a public agency, the Village is required to adhere to Freedom of Information Public Act 96-542. If a responding firm intends to request confidentiality on any portion of a bid, the submittal shall also include a redacted copy of the bid. Limited redactions will be considered. However, entire full redaction of bid submittals will not be considered for award. If a redacted copy is not provided, the original submittal may be released by the Village as received.

Bid Review: The Village reserves the right to reject any or all bids and/or to waive any irregularities or disregard any informality in the bids and bidding when, in its opinion, the best interest of the Village will be served by such action. Furthermore, the Village reserves the right to award each item to a different Bidder, or all items to a single Bidder unless otherwise noted on the *Bid Sheet*. The Village may determine as follows: 1) an equal or alternative is a satisfactory substitute; 2) an early delivery date is entitled to more consideration than price; 3) an early delivery date is to be disregarded because of the reputation of the Bidder for not meeting delivery dates; 4) a Bidder is not a responsible Bidder; and 5) what exceptions or deviations from written specifications will be accepted.

No bid will be accepted from or contract awarded to any person, firm, or corporation that is in arrears or is in default to the Village upon any debt or contract, or that is a defaulter, as surety or otherwise, upon any obligation to the Village, or had failed to perform faithfully any previous contract with the Village.

Form of Contract: The form of contract between the Village and the successful Bidder will be a purchase order referencing the bid specification, the bid submitted by the successful Bidder, and the resulting purchasing order.

Bid Results: Following the bid opening, bid tabulations will be posted on the Village's Internet web site at www.ci.schaumburg.il.us under the **Bids & Proposals**, project specific, web page. Bid tabulations posted on-line represent "as read" submittals at time of the bid opening. They do not represent contract award. Final awards will be posted when approved.

Delivery: Where applicable, all materials shipped to the Village must be shipped F.O.B. delivered, designated location, Schaumburg, Illinois. If the delivery is made by truck, arrangements must be made in advance by the Bidder, with concurrence by the Village, for receipt of the materials. The materials must be delivered where directed. Truck deliveries will be accepted at the Public Works Facility between 7:00 a.m. and 3:30 p.m. and at all other Village locations 8:00 a.m. and 4:00 p.m., weekdays only.

- **NOTE:** The Public Works Facility does have a raised loading dock. All other Village locations **do not** have access to a raised loading dock. Deliveries requiring removal from the delivery truck via a forklift provided by the Village must be arranged with the Village twenty-four (24) hours in advance of the expected delivery date.

Inspections: The Village shall have the right to inspect any materials, components, equipment, supplies, services, or completed work specified herein. Any of said items not complying with these specifications are subject to rejection at the option of the Village. Any items rejected shall be removed from the premises of the Village and/or replaced at the entire expense of the successful Bidder.

A. GENERAL SUPPLEMENTAL ADDITIONAL CONDITIONS

Payment: Payment shall be made within 30 days of invoice receipt and approval, unless otherwise specified in the agreed upon contract. **All invoices must include the PO number associated with the order and shall be submitted to the Village of Schaumburg, Accounts Payable Division, 101 Schaumburg Rd., Schaumburg, IL 60193.** If prevailing wage is a requirement of the contract, the invoice must include certified payroll and waivers. Failure to submit all documentation as specified may result in delay of invoice payment.

Toxic Substance: Prior to delivery of any material which is caustic, corrosive, flammable, or dangerous to handle, the supplier will provide written directions as to methods of handling such products, as well as the antidote or neutralizing material required for its first aid. (Materials Safety Data Sheet).

Default is defined as failure of the Bidder to perform any of the provisions of this contract or failure to make sufficient progress so as to endanger performance of this contract in accordance with its terms. In the event of default and termination, the Village may procure, upon such terms and in such a manner as the Village may deem appropriate, supplies, or services similar to those terminated.

The Bidder shall be liable for any excess costs for such similar supplies or service unless evidence is submitted to the Village that, in the sole opinion of the Village, clearly proves that failure to perform the contract was due to causes beyond the control and without the fault or negligence of the Bidder.
